

Kayla Hanson | Graphic Design and Administrative Coordinator

Kayla joined CHAD in October of 2015. Prior to that, Kayla performed graphic design work for Flash Printing and did freelance work for the ND Cancer Coalition.

As a Graphic Design and Administrative Coordinator, Kayla's primary duties include creating visual imagery that identifies the CHAD brand or conveys a message for the member health centers. She also develops graphics for our social media platforms, email campaigns, and slider images for the website. In addition, Kayla provides support and assistance with CHAD's social media presence and provides administrative support to the Bismarck Office as well as CHAD members.

Kayla graduated from Bismarck State College with an Associate's Degree in Graphic Design & Communications and completed her internship with KAT Communications.
